

Union Bank, Inc., a community bank headquartered in northwestern West Virginia, is seeking a Business Development Officer / Commercial Lender for its Wetzel and Tyler County markets. The successful applicant will be responsible for marketing both commercial and consumer loan products to relevant clients in the market area; will evaluate and approve loans within established authority; for loans outside established authority, will prepare recommendations for the Bank's Loan Committee and / or Board of Directors, as applicable; will recognize areas to expand relationships, increase revenues, and build the customer base. Depending upon education, background and experience, the occupant may also participate in key management committees.

The successful applicant should be able to demonstrate a track record for developing and growing a customer base and loan portfolio.

Other desired attributes:

- 4-year degree in accounting, finance, or other business related field; or, significant work experience in lending and business development with a financial institution.
- Desire to work in an entrepreneurial environment.
- General knowledge and understanding of banking services, products, procedures, credit underwriting and lending.

Union Bank offers a competitive compensation package, including health, life and disability insurance and an ESOP / 401k. This is a unique opportunity to become a key player with a growing and successful community-based financial institution.

To be considered for this opportunity, please submit your resume' to hr@hometownbanc.com.
